NOTE:

- * During heavy snowfalls, the Road Department, at the discretion of management, shall start employees at 5:00 AM to facilitate snow removal on school bus routes.
- * Safety is of paramount importance. Operators shall use caution while plowing snow and will never jeopardize their own, or the public's safety.
- * Operators shall not be required to operate more than 16 consecutive hours.
- * Operators shall check equipment often for wear and maintenance.
- * Contact with the Road Department is essential.
- * During Snow Removal efforts, each operator will contact the Road Department every two (2) hours.
